

# Ohio Historical Marker Program

## Marker Relocation Form

Ohio Historical Markers sometimes need to be relocated so that they can continue doing their job of sharing local and state history. Sadly, markers sometimes are damaged or vandalized. To help us keep the location of markers up-to-date on the program's website [www.remarkableohio.org](http://www.remarkableohio.org), please let us know if something has happened to a marker in your community.
